

EdRAC Minutes

4.15.22

Peachtree City, GA

- x Sharing of work of the Area 2120 and 2130 Subgroups
 - o 2120 & 2130 Syllabus Framework template with recommended resources, readings, and assignments.
 - f Will be helpful for 2120 & 2130 coordinators to map out syllabi between the two courses so they scaffold and avoid overlap
 - f Expanded learning outcomes
 - f Can be used as a sample
 - o BA and BS are still deciding whether to address just learning outcomes or keep classes for 2120 and 2130.

- x Conversation regarding 30-36 hour reduction for MAT programs is currently paused.

- x PAA Discussion:
 - o How are EPPs addressing the proposed BSC Admission Changes? Ideas shared:
 - f Monitor students who did not take GACE PAA pilot.
 - f Possibly add an assessment to indicate support so we know how to help them.
 - f Share literature with faculty to show what the research shows for predictability and bias.
 - f Explore what entry GPA is
